NEWS RELEASE

Date: September 12, 2006

The Grenada Scuba Diving Association welcomes new member

At the last meeting a membership application from Wind Dancer Grenada Ltd. was reviewed and approved by the association.

The Grenada Scuba Diving Association welcomes MV Wind Dancer Grenada ; a Peter Hughes operation as its new member.

MV Wind Dancer Grenada Ltd. Is a dive live aboard offering week long trips into the Grenadines and to offshore islands around Grenada and Carriacou. The vessel has an international crew of 10 of which right now 4 are Grenadian citizens among them the Chef and one of the Dive masters. Peter Hughes Inc. markets Grenada and Carriacou as a dive destination and helps to protect the underwater environment. The vessel is fully equipped with a sewage treatment plant and has a full service dive center on board. With two tenders it is fit to cruise with maximum of 18 guests to remote but spectacular dive sites of the region. Wind Dancer is also a 5 star Gold Palm Resort by PADI.

We are glad to have Peter Hughes and his "Wind Dancer" vessel as an active member in our association and looking forward to promote the islands of Grenada and Carriacou as a dive destination together.
